“Come to the Party”

“Rejoice in the Lord always; again I will say, Rejoice. Let your gentleness be known to everyone. The Lord is near... in everything by prayer and supplication with thanksgiving let your requests be made known to God. And the peace of God, which surpasses all understanding, will guard your hearts and your minds in Christ Jesus.” ~Philippians 4:4-7

On Sunday, May 19th, at 3:30pm, Bausman will host a Celebration of Installation worship service.

Knowing that there is already a worship service in the morning, why would you come? Why would you bother to check in online? Depending on your faith tradition and background, you possibly have never been a part of an installation service before. The last one held for a lead pastor at Bausman was when Rev. Doug Shaffer was installed as Bausman’s pastor. And that was back in 1991!

So, what’s the big deal with installation services?

First, there is the theological part of a congregation and pastor covenanting together to faithfully serve God by committing themselves to one another, in service to their community and to this flesh and blood expression of the body of Christ, for the sake of God’s love being poured out upon creation. Installation services need both the congregation and the pastor in order to spiritually enter into this covenant.

Second, this will be one of the few instances where the wider church will show up in mass to be part of the worshipping community of Bausman. If you have children, this is powerful for them to see so many other pastors in their church at the same time. It is a teaching moment of sharing how Bausman doesn’t exist as at church on its own. This congregation is prayed for and supported in so many ways by churches across Berks County, and across the country. **Because of this we are planning for a children’s message, so that our children will be blessed through this service.**

Third, it is a party! A special choir anthem has been selected for this day and the rest of the music is rich in joy and meaning. The Conference Minister of the Pennsylvania Southeast Conference will be present to share greetings, the co-chair of the Covenant Association Committee on Ministry will lead the liturgy of installation, and clergy from across the Pennsylvania Southeast Conference will lead other aspects of the service. The culmination of the service is the communion shared between pastor and congregation, given freely and abundantly to all others who have gathered – a reflection of the relationship entered into that day.

Plus, there’s food afterwards. Wonderful desserts from what I have been told!

Let us join together in a spirit of celebration, inviting God to bless and make fruitful the relationship we now seek to enter into.

Yours In Christ,

Pastor Joe

P.S. Please be sure to register by Wednesday, May 15th, so that we can prepare well for all who will gather.

Becoming An Apron Church – Tip #2: Embodying Jesus' Welcome

Last month's tip shared how parking can be an act of ministry. Guests tend to arrive 5 minutes before or after the start of the worship service. As a member, you can provide an incredible welcome by choosing not to park on Trent Ave so that these spaces are available for guests and those with mobility challenges.

Beyond parking, the next point of welcome is at the church door. A question to ask is, does a person need to enter the church before they are welcomed or is the membership creating the first point of personal welcome outside the church doors? The answer matters. When you think about Jesus' ministry, he was continually going to incredible lengths to ensure people knew they were welcomed and loved. By welcoming other members and guests outside the church doors, we embody and witness to Jesus' extravagant welcome and love. Plus, on a practical level, it does wonders to lower the anxiety and uncertainty of guests. By greeting on the outside of the church doors, it lets people know they are at the right place, at the right time, that they are valued, and that people are there to guide them in this new church experience.

New Member's Joining June 2nd

Mark your calendars for a worship celebrating the welcome of several new members into the life and ministry of Bausman Memorial. Those joining on this day will have participated in 8 hours of classes where they discussed and learned about discipleship, bible basics, trinitarian belief, the meaning behind worship, sacramental theology, the identity of the UCC, the history and current practices of Bausman, and being a steward of God's gifts. Look for the June newsletter for the confirmed date of this celebration.\

Administrative & Communications Coordinator Search Completed

The candidate we selected for the administrative & communications coordinator has accepted our position. She will be starting at Bausman on Monday, June 10. More information on the candidate will be forthcoming.

Thank You Lori Moser – Interim Secretary

A huge word of thanks is due to Lori Moser! Following Nancy's resignation last year to retire to her childhood home in the Caribbean, Lori has stepped in to the secretary role with dedication, wisdom, creativity, flexibility, and grace. She has given and done so much as we have sought to overhaul the secretary job description and begin the transition towards an Administrative and Communications Coordinator. The church would not be where it is without her support.

Once we have hired and trained a person for the new Administrative and Communications Coordinator role, Lori is looking forward to resuming her previous position as one of the church sextons. Make sure to share your words of appreciation with Lori.

Security and Access Enhancements

This week we have implemented several security and access enhancements. They include reopening the East Narthex entrance before worship services, changing the nursery lock to give access to the room throughout the week while allowing it to be locked while in use, rekeying all exterior doors, and removing previously "hidden" keys. If you need access to the church outside of worship service times, please contact the church office for a keypad access code.

Phone System Replacement – Coming this May

After reviewing options, the Property Committee, with the support of Consistory, is moving forward with a plan to replace the church's current phone system with an internet based (VOIP) system. This decision is based upon cost, flexibility, system capabilities, and the trend in small business phone systems. In short, replacement parts do not exist for our current system. Therefore, the entire system needs to be replaced in order to have functional phones. The VOIP option is thousands of dollars less expensive than a "traditional" system and has more capabilities. Plus, "traditional systems" are no longer being manufactured for organizations and businesses our size.

Recognizing the prolific growth of mobile phones, the number of phones needed throughout the church was also evaluated. The result is a plan to install four phones at this time, knowing that additional phones can be added at any time. The phones will be located in the main office, pastor's office, in a new location in the kitchen hallway (by the door intercom), and in the 2nd floor hallway.

Redner's Receipts: Help Earn Free Money for Bausman

Did you know Bausman collects Redner's receipts, big and small, to raise money that supports our ministry? What is great about this program is we can receive the receipts from anyone who shops at Redner's. They don't have to be a member. They don't need to scan a special card. All they need is to hand you their complete Redner's receipt and you to drop it off at the church (either in the church office or the box in the East Narthex). Last year, \$558 was raised through Redner's receipts. This year, will you help us reach \$700 in free Redner's receipt money?

Giant Grocery Card (Year Round Fundraiser)

If you or family members shop at Giant, you can support the church by using a Giant Gift Card purchased at the church. It doesn't cost you anything more, but the church receives 5% of your gift card purchase. If you spend \$1,000 on groceries a month, you could be contributing an additional \$600 annually to the church through Giant Gift Card purchases. Stop by the office to purchase your gift cards.

East Narthex Entrance Now Open Before Worship

As more people gather for worship and more parking is occurring along Belmont Ave, we have reopened the East Narthex entrance on Sunday mornings. This entrance will be locked at the start of the worship service for security purposes. We pray this re-opening is a blessing that supports your acts of hospitality of opening up Trent Ave parking for guests and members with mobility challenges.

Digital Sign Update

When the digital sign was installed, plans were quickly made with the company to add the missing halo lighting around the cross and to correct the color to match what had been publicized to the congregation. With the return of warmer weather, we anticipate this work being completed sometime in May or June at the latest. Thank you for your support and patience in this project that has led to a number of people checking out Bausman for the first time!

THANK YOU - GARY RHOADS

Thank you for repairing the floor at the bottom of the stairs in the East Narthex.

The stairway to the lower level is now open.

FUTURE SUNDAY SERVICES

May 5th Congregational Meeting

A congregational meeting will be held following worship on May 5th to vote upon the full 2024 budget. The current budget is authorized only through the end of May. Therefore, your participation is important to ensure a quorum is reached and decisions made. Plus, this meeting will highlight recent and upcoming capital improvement plans for you to be aware of.

May 12th – Cantata

This Mother's Day will be a great day of celebration at Bausman. Invite mothers and friends for this hymn based cantata that is sure to fill the soul and move the spirit of all who gather! Journey with the choir as they sign familiar hymns and tell the stories that undergird them.

Official Installation Service of Pastor Joe—May 19th, 3:30pm – Registration Requested

Installation is an official act of the local church done in partnership with the wider church and its called pastor. Register for this worship of celebration that welcomes clergy from across Berks County and beyond. Special guests will include the Co-Chair of the Covenant Association Committee on Ministry and the Conference Minister of the Pennsylvania Southeast Conference. Nursery care will be provided with advance registration, a children's message is being planned, and a time of fellowship will follow. Wear Red for Pentecost – May 19th

Sunday, May 19th, we along with Christians across the world will celebrate the coming of the Holy Spirit into the lives of Christ's followers and the birth of God's church. This movement of the Spirit expressed as a rushing wind and tongues of fire is liturgically symbolized by the color red. Let's celebrate together by wearing red this Pentecost.

Memorial Day Weekend Special Worship

On Sunday, May 26th, we'll gather in worship to give thanks for those who have given the ultimate sacrifice of their lives in service to us and this country. In addition to a soloist and other special music, Bob Orzechowski, a Vietnam War infantry Marine veteran, will share reflections with us to deepen our sense of gratitude for the countless men and women who everyday are serving at our call, who carry the scars and trauma of service, and the family members who continue to feel the emptiness of the loss of their loved one. Be sure to welcome friends and family who may be grateful for this service.

MEET YOUR CONSISTORY

Lori Moser

Hello. For those of you who may not know me, my name is Lori Moser. I am a long-time member of Bausman, joining with my parents, Evelyn and Keith Freeman as well as my sister, Bonnie (Freeman) Shiner back in the fall of 1978. My husband, George (Skeet) and I were married at Bausman in September 1992. Since coming to Bausman, I immediately joined the Chancel Choir and Bell Choir who were under the direction of Rosemary Fraley and Annamae Loose, respectively. I also taught Sunday School and later served two terms on Consistory. Over the years, I became active in various committees. I currently serve on Communications (*currently* inactive); Finance; Fundraising; Nominating; Property and Worship and Music Committees. I also have just started the first year of my first term on Consistory. For the past year, I have been able to put my nearly 50 years of administrative/executive assistant experience to work while serving as Bausman's Interim Office Secretary. I worked previously for Gilbert/ Commonwealth for 22 years and then within the Tower Health organization in both the Reading Hospital's Administration Office and the Administration Office of the Tower Health Medical Group for 27 years. When the new office secretary is hired, I will return to my previous role here at Bausman as Sexton, with my sister Bonnie. A role that my husband is currently filling for me

In my spare time, I love spending time with my husband, family and two English springer spaniels, Winnie and Loxley. I am also an avid Phillies fan and have had Sunday season tickets for several years. I am also a huge fan of Ocean City, NJ and NCIS – all their shows.

If I can assist you with anything at any time or you have any questions, please do not hesitate to reach out to me.

Blessings,

Lori

Bausman in Springtime!

We are grateful to **Connelly Lawn and Garden** for the Spring cleanup and mulching around Bausman. They always include us in the schedule without being asked, so our grounds are ready for Easter Sunday!

Property Committee Help Wanted

Join our
Committee

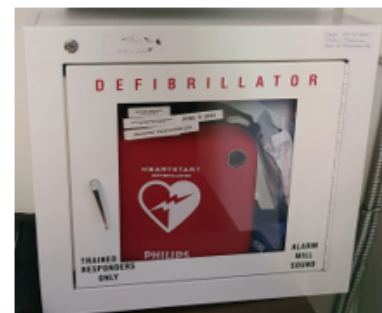

It's the beginning of a new season and a perfect time to join the **Property Committee**. We have a lot to do! We are working on documenting our current systems, fixing issues, and shifting things to maintenance programs, but we also enjoy ourselves. If you are handy around your house, if you have problem solving skills, or if you are good at managing projects or your home, we could use your help!

Please reach out to Chris or Dena Wertz, (Property Chairpersons) and we can share the upcoming projects at Bausman.

May Safety Tip!

An **Automated External Defibrillator (AED)** is a portable defibrillator that you can use if someone goes into sudden cardiac arrest (SCA). An ambulance may take 10 minutes or more to arrive at the scene, but cardiac arrest patients require treatment without delay. With each minute that passes, their chances of survival decline by 10%. An AED is designed so that anyone can provide life-saving treatment in an emergency; it provides audible defibrillation and CPR coaching to guide untrained bystanders.

You can find the AED in the North Narthex of the Sanctuary in the coat closet.

March 2024 Stewardship Generosity Report

Year to Date Operating Fund

	March 2024 Actual	March 2024 YTD Totals	Budget YTD	Variance to Budget YTD
General Operating Fund Unrestricted Revenue	\$ 21,898	\$ 70,346	\$76,451	(\$6,105)
General Operating Fund Expenses	\$21,791	\$73,333	\$77,367	(\$4,034)
Gain/(Loss)	\$107	(\$2,987)		

Commentary

Thanks to the congregation's giving in March the unrestricted revenue exceeded expenses.

Expenses for the first 3 months are 5.2% under the year to date budget. While revenue for the same period was below budget by 8.0%, the original budget called for a 9% deficit.

As of the end of March our Year-to-Date property expenses are running 31.7% or \$4,263 over budget mainly due to the gas utility, as well as the snow removal and HVAC expenses that were outlined in February's report. Meanwhile all of our expenses are continuing to stay below budget by a total of \$4,034 as shown above.

The checking account balance at the end of March was \$47,150.00 of which \$32,763.00 was available to pay operating expenses for April.
