“Gathering to Share Reflections”

I don't know about you, but it is incredible to think about all that has happened in the last year. A year ago the church was still finding its way out of covid, grief of Pastor Mark's resignation remained palpable, and you were wondering who this new pastor was, while trying to figure out how a designated term pastor is different from an interim or settled pastor.

In this year's time, we've updated the bulletin, instituted “Welcome Cards,” revamped the Christian education program, overhauled the church financial accounting system, tackled some major financial challenges in the repair of the boiler, replacing the failing hot water heater, and the office renovations we are poised to begin, and we continue to transition to Realm as our ministry and communication hub. Beyond these nuts-and-bolts issues, you've shared that I bring a different preaching, worship presence, and leadership style than this congregation has been accustomed to.

There is a lot that has happened, and which you have experienced, during this last year!

So that I might learn from you; so that we might have greater clarity as we step into our second year of ministry together; so that we might strengthen the sense of unity already present within this congregation; I would like to sit with you and listen for your insights and wisdom on what this last year has been like for you. Your sharing will be an incredible gift enabling me to better serve this church in wisdom and care over the next several months.

To this end, three “Year in Reflection Gatherings” are being scheduled for this September. If one time doesn't work for you, hopefully one of the other two will. Each session will last no more than an hour. The conversation will focus on the following six questions:

1. Overall, what has your experience with Bausman been like this last year?
2. What have you been hearing from others?
3. What has concerned you?
4. What has given you joy or hope?
5. What are the questions you have?
6. What do you want me, your designated term pastor, to know?

To ensure the space is appropriately prepared for those who will gather, please register using the QR Code, through [Realm](#), or by contacting the church office. The three sessions are:

- Wednesday, September 13th, 7-8pm on Zoom
- Sunday, September 17th, following worship in the sanctuary
- Wednesday, September 20th, 11-12pm in the fellowship hall

Yours In Christ,

Pastor Joe

Transition Team Update: Designated Term Pastor – The Second Year

Knowing that a designated term pastor is a new thing for Bausman, we wanted to provide you an update on where our relationship with Pastor Joe stands. On August 15th we concluded the first year of the designated term contract, which guaranteed a full, uninterrupted year of ministry together. From this point forward the contract is reviewed every 90 days to determine next steps. These next steps can include:

1. A mutual agreement to move towards a settled call which would require a congregational vote
2. Extend the designated term contract for another 90 days in order to address items that need to be settled before a call can be extended (maximum of 4 extensions possible)
3. Begin to bring the ministry partnership to an end by enacting a 90-day termination clause.

Moving into the fall we have opted for option 2 due to the need to determine what type of settled pastoral position the congregation can support at this time. The fall stewardship campaign will be a cornerstone in the leadership's discernment of what is financially feasible. The next review of the designated term contract will be November 15th.

New Confirmation Classes on Hold till Fall 2024

During this period of discerning the congregation's vision for pastoral leadership, we will be putting on hold the start of any new confirmation classes till the fall of 2024. The purpose of this pause is to ensure that our youth will be able to complete the program from start to finish without any possible interruptions. We apologize for any inconvenience this may cause

Adult Faith Formation Class Being Planned

This October we are looking to launch a six week adult spiritual formation class to provide an avenue for adults to grow and mature in their walk with Christ. Look for a survey coming out in early September to vote for the class topic you would like to dig into and for your preferred times to meet (possibly two separate class times will be offered to meet different availability needs).

The two topics being considered are:

- **The Creation Stories**: a look at how the multitude of creation stories (found in Genesis and beyond Genesis) give us direction in the questions of meaning, purpose, and a fulfilling life.
- **Discovering Your Theological World View**: a look at the five primary views of the purpose and intention of God and how each view drives one's concerns, passions, and hope for sal-

Now Sharing Monthly Communion

At the heart of our faith stands the sacraments of Baptism and Communion. Each is a precious gift that brings us into deepened relationship with God through the outpouring of God’s Spirit. Though Baptism is celebrated just once in our life, because its grace claims us forever as God’s child, Jesus invites us to share regularly in communion that we may taste of God’s goodness and intimately know of Christ’s presence. Therefore, starting this September we will begin sharing the sacrament of Holy Communion roughly once a month (and a times more frequently depending on the presence of “High Holy Days.”)

We pray this expanding of Communion’s presence in Bausman’s worship life is a blessing to you and our many guests. The upcoming communion schedule is:

SERVING OTHERS

From the Conference Minister of the Hawaii Conference UCC

How good and pleasant it is when God's people live together in unity! Psalm 133: 1

...the fire has become the worst natural disaster for the islands since becoming a state. The Hilo tsunami of 1960 killed 61 people, Hawaii's deadliest disaster. The death toll for Lahaina is now 67 [96 as of today, Tuesday, 8/15]. Authorities are letting residents back in. But it's over a dirt road that runs along cliffs. On top of that once you get in there is no electricity, water, or phone service. A few hearty folks are remaining in town. 80% of the town of Lahaina (1700 buildings) were destroyed or damaged.

Waiola UCC, the first church on Maui, is the 200-year-old home to Christian friends who have rebuilt their building in part or whole four times: 1858 following wind damage; 1894 following an accidental fire started by the caretaker; 1947 following a rubbish fire; 1951 following wind damage. This congregation's DNA is resiliency. Their church campus did burn. The concrete walls of the sanctuary remain. Interestingly the front lawn and historic cemetery were not touched by the fire...All members of the church have been accounted for except for one couple [no update about them was available at the time of eNews publication]. All totaled, four UCC churches were under threat by the fires.

The magnitude and longevity of recovery is just now becoming a reality for our Maui clergy. The adrenaline rush is fading and grief and a sense of being overwhelmed is on the rise. Pacific Island culture is about pulling together and that is happening across the neighboring islands, but access to Maui is limited to essential workers and residents and much of "pulling together" means "presence" for our folks. I am not sure how this will play itself out.

I will be on Maui on Tuesday [August 15] as part of an ecumenical prayer service. The Catholic Bishop got that declared an essential activity. Woot! Woot! Bisho Silva. Mahalo for all the kind words and prayers.

*Rev. David Popham
Conference Minister
Hawaii Conference, UCC*

There are multiple ways to contribute to the response. We recommend:

1. Donate to UCC Disaster Ministries through the Conference Office. You can either mail contributions to the office (1441 Laura Lane, Suite 100; Pottstown, PA 19464) and indicate "Hawaii wildfire relief" or through the [Donation](#) button on our website (indicate the amount under "OCWM Special Support - Wider Church" next to "Wider Disaster Relief for:" and indicate "Hawaii wildfire relief" in the space to the right.

2. Gifts can also be made specifically to help rebuild Waiola UCC. Those gifts can be sent to the Conference Office as noted above, but must specify "Waiola UCC" or they will be forwarded for the general Hawaii Wildfire Relief Fund

(and those who love fresh produce but don't want to grow it).

Are you being overrun with vegetables from your glorious overflowing gardens? If you would like to share your bounty with others, you may bring some to church on Sundays in September. The congregation can then take your produce home and enjoy for a monetary donation to our Food Bank for Calvary and New Journey. It's a win win for everyone. would like to share your bounty with others, you may bring some to church on Sundays in September. SERVING OTHERS

NEIGHBORS IN NEED

Neighbors in Need (NIN) is a special mission offering of the United Church of Christ that supports ministries of justice and compassion throughout the United States. One-third of NIN funds support the Council for American Indian Ministry (CAIM). Two-thirds of this offering is used by the UCC's Justice and Witness Ministries (JWM) to support a variety of justice initiatives, advocacy efforts, and direct service projects through grants. Neighbors in Need grants are awarded to UCC churches and organizations doing justice work in their communities. These grants fund projects whose work ranges from direct service to community organizing and advocacy to address systemic injustice. This year, special consideration will be given to projects focusing on serving our immigrant neighbors and communities

CUB SCOUT REGISTRATION IS OPEN!

Scouting is filled with fun, hands-on activities that teach boys to be trustworthy, friendly, helpful, brave and reverent. Wyomissing Cub Scout Pack 413 is sponsored by Bausman UCC and is open to boys ages 5-10 (kindergarten – 5th grade). There is about one Pack activity each month, such as the rocket launch, rock climbing, Pinewood Derby race, boat race and camping trip. In addition to Pack activities, Scouts meet regularly with their Den (boys in their same grade) to work through age-specific advancement projects. Scouts have opportunities to serve the community in a variety of ways, such as leaf raking and Earth Day cleanup. This is just a small snapshot of what a typical year in scouting looks like. For questions, contact Committee Chairperson Meghan Smith (484-919-8270) or Cubmaster Dave Hershey (610-763-2445) or email wymissingpack413@gmail.com.

Thank you George 'Skeet' Moser!

Skeet has served our Bausman family with decades of dedication. Each Sunday morning you can find him smiling, keeping an eye on the entrances, vehicles, and circle driveway. He provided an enormous safety and security function, and responded to any and all issues during worship. Skeet retires from this position on September 3rd. The Property Committee, on behalf of Bausman, wishes to thank Skeet for his tremendous contribution. We encourage all members to extend appreciation to him for the wonderful job. Blessings to you, Skeet....

Help Needed!

The Property Committee is expanding the Security Team that watches over the entrances and monitors the property during Sunday morning worship. The key focus of this group is to provide a safe environment and peace of mind for Bausman members and guests during service. We are putting together a schedule for volunteers for the Fall. Could you help one or two Sundays? Please email Chris Wertz or Kent Hollinger if you are interested.

SEPTEMBER CONSISTORY MEETING – TUESDAY, SEPTEMBER 12

All members of Bausman are welcome to attend Consistory meetings. Any reports for the September 12 Consistory meeting need to be received by the church secretary no later than 10:00 a.m. **Wednesday, September 6th**. This will make it possible for Consistory members to review all reports before the meeting Tuesday, September 12th. Also, if anyone would like to present something at the Consistory meeting in person, please notify Consistory president, Cece Wagner, no later than **Wednesday, September 6th** in order to be added to the agenda.

MEET YOUR CONSISTORY

Hello, my name is Cece Wagner and I am your Consistory President. I moved to Berks County from San Francisco CA in 1980 for a “short stay” and here I am 43 years later. My 2 sons and I transferred to Bausman from First Presbyterian, Reading PA in 1992 because their friends went to Bausman and there were many activities for young people here. My son Tres graduated from Wyomissing HS in 1996 and played soccer and football so I was a soccer mom and football parent. My son Christopher graduated in 2000 from Wyomissing HS and was very involved in the music and drama department which made me a drama mom too.

Both of the boys went on to University of Mississippi – Ole Miss – just like their Mom. Tres is living in northern New Jersey and he and Alicia have 4 children (my beautiful grandchildren) between them. Christopher decided the south suited him better than the rest of the country and has been living in Oxford, MS since 2000, which is great when we go to Ole Miss home games. Michael Ritter and I have been together since 1997 and with this relationship I also have 2 beautiful “step daughters”, Beth and Stephanie and 2 more grandchildren living in Newburyport, MA. Before moving to Berks County, I moved around a lot – every 2-4 years till I went to college. With these moves came many different churches too. Most were Methodist and some were Presbyterian but they all had one thing in common no matter what day of the week we moved into our new house my parents and I were in church the very next Sunday and every Sunday after that. Looking back, I think that’s why I have never doubted or questioned God’s love for me and I knew he was always with me no matter what. The house would change, the city would change, the schools definitely changed (8 in 12 years), friends changed and churches changed but God was always there. I know he answers my prayers – not always the way I like or in my timing and I know he never gives me more than I can handle (we may need to have a little talk about some of those things when we meet). As an only child he was my best friend and he still is.

FINANCIAL REPORT AS OF JULY 2023

Year to Date Operating Financials

	July 2023 Actual	July 2023 YTD Totals	Budget YTD	Variance to Budget YTD
General Operating Fund Unrestricted Revenue	\$20,243	\$133,240	\$145,513	(\$12,273)
General Operating Fund Expenses	\$20,943	\$155,201	\$169,586	\$14,385
Gain/(Loss)	(\$700)	(\$21,961)		

Commentary

Tithe income for July was \$20,182. As of July 31st, the Customers Operating bank account balance was \$14,865. However, Operating Unrestricted funds after liabilities was approximately \$2,586 due to the second cash infusion of \$10,000 from the Quasi Endowment Fund that was approved by Consistory at the June meeting. Without the Quasi draw downs, YTD Gain/Loss would reflect a loss of (\$21,961). To date, a total of \$20,000 has been withdrawn from the Quasi Endowment Fund to maintain regular operating expenses.

The Stewardship, Budget, and Finance Committee along with Consistory President are closely monitoring cash flow and expenses throughout August to ensure appropriate funds to cover expenses. The focus of the Committee and Consistory has turned to communicating the Bausman Operating Challenges and the need for more financial support from the congregation as we prepare the 2024 operating budget.

2024 Operating Budget: The Stewardship Budget and Finance Committee, in cooperation with church leadership, has been working on drafting the 2024 Operating Budget. The initial draft will be presented to Consistory at its September meeting.

Capital Campaign Update

The Capital Campaign/Building Fund for July ended with a balance of \$75,297. In July several donations/deposits totaling \$9,666 and expenses paid out totaling \$8,450.00 for the office refurbishment.
